

# Get more from your Membership Dues!

## **FREE way to promote YOUR business to the ENTIRE Chamber Membership!**

The Member to Member discount program is a great way to promote your business while also keeping dollars in the membership and the community.

### **Why participate in the Chamber Member to Member Discount Program?**

- It's easy
- It's very economical
- It's the way to get your name, product, service ... in front of 700 professional women and men

Businesses that offer discounts may receive publicity in the Chamber's Heart Beat Newsletter, which is circulated to over 700 Northeast Wisconsin businesses, as well as on the Chamber's website. Each newly joined Chamber member also receives an updated list of Member to Member discounts.

### **How can my business participate?**

There is no cost to participate in the discount program. Your only expenditure is the discount you offer. Your discount should be single, simple and compelling. If you are interested in offering a discount, please complete the form on the backside of this flyer and return it to the Chamber office.

### **Member to Member Discount Program Guidelines:**

- Discounts must offer something unique to Chamber members (the discount is not offered to the general public)
  - Discounts must be valid for a minimum of one year. The offer will remain in effect until the Chamber receives notification from the participant to cancel the offer.
  - The Chamber reserves the right to reject a submission should it be deemed inappropriate.
- Participants offering a discount hereby agree to hold the Chamber, its officers, directors, employees, and agents harmless from any manner of claims, damages or liability that may arise as a result of the discount offered.
- ***If you have participated in this program in the past, we would need a new commitment with your offered discount.***
